

**We will take on the challenge—
We will take on the challenge—
We will take on the challenge—**

**I will keep moving forward—
for my single, small step today
will eventually forge a great path!
I will not be defeated— I will not be defeated—
for I know that,
even after dark nights
of raging blizzards,
the sun of victory will rise again
tomorrow without fail!
the sun of victory will rise again
tomorrow without fail!**

**to teach one friend after another the way to happiness,
for the sake of peace and prosperity for all people;
to stand defiant in the face of the fierce storms of our
karma,
so we can demonstrate the true potential of human beings;
to lead a life in which we can enjoy ourselves at ease (cf.
LSOC16, 272),
so we can proudly declare how happy we are!**
